

Apprentice End Point Assessment

Level 5 Operations Management Higher Apprenticeship Level 3 Team Leader & Supervisor Apprenticeship

Who are we, and how can we help?

Further Training has over twenty five years' experience of the delivery and assessment of Management Qualifications and each year work with hundreds of candidate's successfully completing Level 3 and 5 programmes.

We are one of the largest Management Centres nationally, and are listed on the ESFA Register of End Point Assessment Organisations. Because we deliver programmes ourselves we understand the challenges of balancing employers' demands with assessment standards and Funding Rules.

We are competitive and cost effective?

- Register your Apprentices now, pay nothing until EPA is completed
- Simple clear fee structure, with no hidden extras
- Assessment fee includes one resit
- Reduced fees for multiple EPA conducted at the same time & location

We recognise you need certainty so

- Once the Apprentice reaches the Gateway, we can plan and carry out the assessment within four weeks
- We conduct and complete final assessment in a single session, ensuring you, your Apprentice and their employer know the outcome quickly

Our model

- **Gateway Review** – Review of On-Programme evidence (including English & Maths).
- **Preparation** – Includes sample assessments and materials to fully prepare the Apprentice.
- **Summative Assessment** – knowledge & behaviours assessment, observation of work practice, professional discussion, all completed in a single session.
- **Feedback & Grading** – Comprehensive feedback, and explanation of Grading Decision.
- **Achievement & Certification** – Giving you the evidence to claim the funded outcome.

Available now, so you can plan ahead

You can reserve a provisional assessment now, and confirm arrangements as the Apprentice reaches the Gateway. As the Apprentice nears this point, only then do we finalise assessment details. This means you can effectively plan and prepare, well in advance, to ensure a successful outcome. There is no charge to reserve assessment in advance.
